NUMBER 45

7TH DECEMBER 2011

## Merry Christmas and a Happy New Year

We do hope you have enjoyed your membership of this club and the films we have screened during 2011.

Next year, 2012, will be another great opportunity to see some fabulous movies with your friends at Brampton Film Club. We look forward to seeing you there.

**AGM** - Our annual general meeting will be held on **Saturday 4th February 2012**, prior to the film being screened that evening. The meeting is a little later in the year than we would prefer but it is just how the availability dates have worked out. The AGM is an important event in the club's calendar as it is the opportunity for members to learn more about what has happened in the year gone by and what the club needs to do for the year ahead. Your input is very important and so you are asked to attend the meeting, even if you do not stay for the film.

### War Horse

**This film opens in the UK on 13th January 2012. It is based on a children's book and whilst it does depict war, I have read that violence is more inferred than visual.**

**Do you want to see it?**

**I do but my wife won't go because she knows she'll 'blub' all the way through it.**

**A ticket booking service will soon open for advanced bookings.**

**If enough of you show interest we could go as a group, perhaps in the Community Centre mini-bus.**

**Let me know - Eric**

### Membership Gift Cards.

These will be on sale at our events. They will simply cost the price of the type of membership you want to buy someone. We will issue the card with the membership number included and the recipient simply needs to complete their details and present it at any event, when their actual membership card will be issued.

The cards will look good and come in their own envelope, just like a gift voucher. They will make a nice gift and help the club increase membership levels.
