NUMBER 29

23 APRIL 2010

Dear members,

I hope you'll all find the new list of films interesting and that you'll come along to as many as possible, if not all.

This list brings drama, humour, music, romance, danger and... well much more. All of these films have themes that can stimulate thought and conversation, as well as being thoroughly entertaining. One or two will not make it to mainstream cinemas in this area and others, like *Cinema Paradiso*, may become modern classics. We do hope you'll enjoy them all.

As I sit here shivering because I refuse to turn the heating on in late April, it's difficult to imagine that the summer is just around the corner. Our summer event is only 64 days away!

Angela and Sue (committee) are still looking for food pledges, so if you haven't 'pledged a dish' yet, do please let them know if you can help. At the film on 24 April, there will be a list where you can add your details (no need to, if you've sent us an email).

Best wishes and see you at the movies,

Eric

### Film Selections Made

So, the deed is done. Yes, the selection for the second half of 2010 is now complete and the films ordered from the distributors. Thank you to those members, who made suggestions. They were all taken into account and indeed, the new list consists entirely of films taken from those suggested. The list of suggestions is shown below, so you can see the task the committee has to get 8 films out of such a list. The new list is varied, bold and exciting and we hope you'll enjoy the films and find plenty to entertain and stimulate. A pamphlet will be produced soon, giving more detail.

The films for the second half of 2010 are:-
